CERTIFICATION: I certify that, to my knowledge, this is an accurate and complete description of the essential functions and the conditions required for this position.

APPROVED BY: Brian Pflug DATE: 04/28/2022

POSITION #: 008306

I. JOB SUMMARY

Performs routine managerial work administering the daily operations and activities of an agency program. Work involves establishing goals and objectives; developing guidelines, policies, and procedures; developing schedules, priorities, and standards for achieving established goals; coordinating and evaluating program activities; developing and evaluating budget requests; monitoring budget expenditures; and supervising the work of others. Works under moderate supervision with limited latitude for the use of initiative and independent judgment.

II. ESSENTIAL FUNCTIONS

- A. Manages the day-to-day activities of staff within the Data Center Services (DCS) finance team.
- B. Plans, implements, coordinates, monitors, and evaluates divisional program activities; develops and implements program guidelines, policies, procedures, rules, regulations, and operational benchmarks; and ensures compliance with established performance indicators.
- C. Develops and implements techniques for evaluating programs; and oversees reviews, program analyses, and research studies and makes recommendations for the development and integration of new methods and procedures.
- D. Oversees the preparation of divisional management and productivity reports; oversees the preparation of and monitors required divisional fiscal and budgetary reports to include financial activities of the State Data Center Consolidation project; and prepares correspondence, studies, and specialized research projects.
- E. Supervises the work of others; and provides technical assistance in the program area.
- * Performs a variety of marginal duties not listed, to be determined and assigned as needed.

III. MINIMUM QUALIFICATIONS

A. Education, Experience, and Training

1. Bachelor's degree from a college or university accredited by an organization recognized by the Council for Higher Education Accreditation (CHEA) or by the United States Department of Education (USDE). Major course work in Accounting, Finance, Business Administration, Management Information Systems, or a related field preferred. Each year of experience as described below in excess of the required seven years may be substituted for thirty semester hours from an accredited college or university on a year-for-year basis.
2. Seven years full-time, wage-earning financial operations or program administration experience in an accounting or finance program to include two years in the supervision of employees.

B. Knowledge and Skills

1. Knowledge of the principles and practices of public administration and financial operations.
2. Knowledge of data processing methods and equipment.
3. Knowledge of automated information technology practices and procedures.
4. Knowledge of applicable state and federal laws, rules, regulations, and statutes.
5. Knowledge of agency and departmental organizational structure, policies, procedures, rules, and regulations preferred.
6. Skill to communicate ideas and instructions clearly and concisely.
7. Skill to coordinate with other staff, departments, officials, agencies, organizations, and the public.
8. Skill in administrative problem-solving techniques.
9. Skill to interpret and apply rules, regulations, policies, and procedures.
10. Skill to present technical material.
11. Skill to review technical data and prepare technical reports.
12. Skill to develop and evaluate administrative and operational policies and procedures.
13. Skill to supervise the work of others.
